52.	Q4	Santa Claus	29	CAR(Mustang)

Staging:

There will be four (4) quadrants in the staging area. Groups with vehicles will merge with the walkers. All vehicles will be lined up and parked on the Ewa side of the loop. Place your vehicle number clearly visible so we get your vehicle in the right staging spot. Both the marchers/walkers line up in their quads (1, 2, 3, 4) with the lower number going first. For example, quad 1 starts with the Color Guards, then Cub Scouts Pack 325 with KBPA banner Band etc. Quad 2 starts with Independent Order of Odd Fellows, then Sky Auto Repair, etc.

Helpful information:

- No last minute changes will be allowed.
- Encourage your group participants to arrive between 4:00pm-5:00pm; less congested and still daylight.
- Portable toilet on the top of the loop by flag pole.
- Wellness – if you're sick, have cold, flu, COVID-19 symptoms, stay home. We will have many keiki in attendance, kupuna in the audience. Malama all!
- Weather – if there is severe weather, a cancellation announcement will be on the KBPA website and groups will be informed by email.
- Questions – KBPA contacts are co-chairs:
Jon Brunold, email: Jon@kbmresorts.com, cell: 808-633-1046
Calvin Hara, email: cmhara@comcast.net, cell: 916-812-5524
- Smile, be happy, spread joy!
